

3. Defendant, Equifax Information Services, LLC (hereinafter “Equifax”), is a limited liability corporation formed under the laws of the State of Georgia. Equifax may be served with process via its registered agent, Shawn Baldwin, at 1550 Peachtree Street NE, Suite H46, Atlanta, Georgia 30309-2402.

4. Equifax regularly assembles and/or evaluates consumer credit information for the purpose of furnishing consumer reports to third parties and uses interstate commerce to prepare and/or furnish the reports. Accordingly, Equifax is a “consumer reporting agency” as that term is defined by 15 U.S.C. § 1681a(f).

JURISDICTION AND VENUE

5. This Court has federal question jurisdiction over Plaintiff’s Fair Credit Reporting Act (“FCRA”), 15 U.S.C. § 1681, *et seq.*, claims, pursuant to 15 U.S.C. § 1681p and 28 U.S.C. § 1331.

6. This Court has personal jurisdiction over Defendant, pursuant to O.C.G.A. § 9-10-91(1), because, *inter alia*, Defendant frequently and routinely conducts business in the State of Georgia, including the conduct complained of herein.

7. Pursuant to 28 U.S.C. § 1391, venue is proper in the Northern District of Georgia because a substantial part of the events or omissions giving rise to the claims

occurred in this district. Pursuant to LR 3.1B(3), NDGa, venue is proper in the Atlanta Division because one or more Defendant maintains an agent for service of process within the Atlanta Division.

Factual Allegations Derived from Plaintiff's Mortgage

8. On or about June 13, 2001, Plaintiff obtained a loan from Household Realty Corporation for the original principal amount of \$118,328.91 (the "Mortgage").

9. The Mortgage is collateralized by residential real property located at 6865 Sawnee Way, Gainesville, Georgia 30506-6083, as evidenced by the Security Deed recorded at Deed Book 1965, Page 180, in the Superior Court of Forsyth County.

10. On or about October 28, 2015, the Mortgage was transferred from Household Realty Corporation to Caliber Home Loans, Inc. ("Caliber"), as evidenced by the Assignment recorded at Deed Book 7573, Page 292, in the Superior Court of Forsyth County.

Factual Allegations Derived from Plaintiff's Bankruptcy Case

11. On July 18, 2016, Plaintiff filed a Chapter 13 Voluntary Bankruptcy Petition in the United States Bankruptcy Court for the Northern District of Georgia, Gainesville Division, Case Number 16-21393 (the "Bankruptcy Case").

12. In Schedule D of her Bankruptcy Petition, Plaintiff listed Caliber as having a secured claim for the Mortgage in the amount of \$107,000.00.

13. On November 21, 2016, Plaintiff filed her Chapter 13 Plan in accordance with 11 U.S.C. § 1322(b)(5), providing for the cure of any then-deficiency and the direct payment of all future Mortgage payments by Plaintiff to Caliber.

14. On November 16, 2016, Caliber, by and through its trustee, U.S. Bank Trust, N.A., filed a Proof of Claim in Plaintiff's Bankruptcy Case, claim number 7, representing it was owed \$104,251.77, inclusive of \$25,744.42 in arrearages.

15. On May 15, 2017, Plaintiff's Plan was confirmed and became *res judicata* as to Plaintiff and Caliber.

16. Caliber was served with a copy of the Confirmation Order on May 17, 2017, by the Bankruptcy Noticing Center.

17. The Bankruptcy Case is currently pending, and Plaintiff continues to substantially perform under the terms of her Confirmed Plan.

18. The Mortgage owed to Caliber has not been discharged and is not subject to discharge under 11 U.S.C. § 1328(a)(1). See, *In re Duke*, 447 B.R. 365 (Bankr. M.D. Ga. 2011).

19. As recently as April 21, 2017, Caliber advised the Bankruptcy Court and Plaintiff that Plaintiff's Mortgage was being serviced by Caliber and that Plaintiff's obligation is ongoing.

20. Accordingly, Plaintiff has continued to make, and Caliber has continued to service and accept, Plaintiff's Mortgage payments.

Factual Allegations Pertinent to the CDIA and Metro 2 Reporting Standards

21. The reporting of consumer credit information by credit reporting agencies ("CRAs") and data furnishers is the foundation of credit risk scoring and impacts the financial lives of consumers in innumerable ways, including the availability and cost of credit, housing opportunities, leasing prospects, insurance availability and cost, utility service, and even employment. Between two and three million consumer reports are issued by credit bureaus each day. See, <http://www.cdiaonline.org/about.cfm>.

22. The Consumer Data Industry Association (“CDIA”) is an international trade association, representing over 140 members involved in credit reporting, mortgage reporting, check verification, tenant and employment screening, collection services, and fraud verification services, and the CDIA is active in both federal and state legislative affairs, public relations, education, and the promulgation of industry standards.

23. Because consumer credit reporting information is such sensitive data that has far reaching implications for most, if not all, consumers, the CDIA works together with CRAs to develop, maintain and enhance industry-standard reporting formats and guidelines.

24. To further assist CRAs and data furnishers with performing their due diligence and reporting accurate, complete, and timely data, in satisfaction of the FCRA’s legal requirements, the CDIA offers extensive training, education, and support to CRAs and data furnishers.

25. The CDIA’s extensive training and support offerings include FCRA certification programs for both CRAs and data furnishers to assist each in maintaining compliance with FCRA regulations.

26. Because standardized methods are of paramount importance to the accurate, complete and timely reporting of consumer credit data, the CDIA can and will revoke FCRA certification for failure to adhere to the standards set by the CDIA.

27. In cooperation with the major CRAs, CDIA publishes the Metro 2 (“Metro 2”) reporting standards to assist furnishers with their compliance requirements under the FCRA. CDIA’s reporting products are used in more than nine billion transactions each year.

See, <http://www.cdiaonline.org/about/index.cfm?unItemNumber=515>

28. The Metro 2 Format Task Force is comprised of representatives from Equifax, Experian, Innovis, and TransUnion, and is supported by the CDIA. Metro 2 Format Task Force’s mission is to provide a standardized method for the reporting of accurate, complete, and timely data, and has developed the Metro 2 standards. *Id.*

29. The Metro 2 standards provide uniformity in the reporting and interpretation of credit data, including credit risk scoring.

30. It is axiomatic that in the world of consumer credit information reporting, as long as a consumer credit account is open, every month some piece of

information regarding that account/consumer is going to change. For example, interest continues to accrue, payments are made, etc.

31. 15 U.S.C. § 1681e(b) requires consumer reporting agencies to follow reasonable procedures to assure maximum possible accuracy of information concerning the individual about whom a report relates. Further, 15 U.S.C. § 1681s-2(a)(2) requires furnishers of information to regularly correct and update the information they previously provided to consumer reporting agencies to make sure the information is complete and accurate.

32. Accordingly, and in furtherance of its mission, the Metro 2 Format Task Force has developed an industry standard for reporting consumer accounts that “will ensure the integrity and consistency of the credit information being reported.” As part of that industry standard the Metro 2 Format Task Force has declared, “All accounts must be reported on a monthly basis.” (Emphasis added.) *Id.*

33. Because consumer credit information changes monthly, failure to update that information on a monthly basis, yet still publishing reports containing the previously reported information without updates, means that the information being reported is almost certainly incomplete and inaccurate.

34. The Fair Isaac Corporation credit risk scoring system, commonly referred to as FICO, is the leading credit scoring system, and utilizes data reported by credit reporting agencies and furnishers which are, ostensibly, in compliance with Metro 2 standards.

35. The failure to adhere to CDIA guidelines and the Metro 2 reporting standards can adversely affect a consumer's FICO score.

36. At all times relevant hereto, Equifax has required all entities to whom it grants consumer information reporting rights and access to adhere to the Metro 2 reporting guidelines as a condition of such ability and access.

37. Defendant has actual knowledge that entities that perform credit risk scoring, and other functions utilizing the data reported by Defendant, assume Defendant's compliance with Metro 2 standards in reporting consumer information.

38. The failure on the part of a CRA and/or a furnisher to adhere to the accepted Metro 2 standards increases the probability of a reported item being false or materially misleading to users of consumer reports, as those users assume that the information in the consumer reports is being reported in compliance with Metro 2 standards, and thus interpret that information accordingly.

39. As a result, failure to adhere accepted Metro 2 standards in reporting information in consumer reports adversely affects consumers, as it causes inconsistent, misleading, and/or incorrect interpretation of information regarding consumers.

40. The failure on the part of a CRA and/or a furnisher to adhere to the accepted Metro 2 standards can itself support a finding of willful violation as described by 15 U.S.C. § 1681n when that failure results in a report that is false, incomplete, and misleading.

41. Further, the failure to adhere to the Metro 2 format, and/or the failure to follow the guidance of regulatory and industry sources, such as the CDIA, is evidence of willfulness of an FCRA violation under 15 U.S.C. § 1681n(a). See, *Gillespie v. Equifax Info. Servs., LLC*, No. 05C138, 2008 WL 4316950, at *8 (N.D. Ill. Sept. 15, 2008).

42. As an integral aspect of its duties under the FCRA, Equifax is required to have in place adequate and reasonable policies and procedures to assure the maximum possible accuracy of information concerning individuals about whom Equifax produces reports; the requirement to maintain reasonable procedures

extends to Equifax's handling and reinvestigation of disputed information. At all times relevant hereto, Equifax adopted and implemented the CDIA guidelines and Metro 2 format as a means of fulfilling its aforementioned duties under the FCRA.

43. Equifax, in conjunction with the other major credit reporting agencies, developed a browser-based software system that allows credit reporting agencies to electronically notify furnishers of disputed credit reporting and for furnishers to respond to such disputes following investigation. The system is commonly referred to as e-OSCAR and was designed to be Metro 2 compliant. See, *<http://www.e-oscar.org/>*

44. In order for information in consumer files and on consumer reports to be reported consistently and correctly, and with maximum possible accuracy, users of the e-Oscar system must comply with accepted Metro 2 standards. Otherwise, the information contained in the resulting consumer reports is not consistent or uniform and is subject to gross misinterpretation by users of consumer reports.

Factual Allegations Derived from Reporting to and by Equifax

45. On or about March 8, 2017, Plaintiff obtained a copy of her consumer report as published by Equifax.

46. That report contained erroneous information as published and reported by Equifax.

47. Specifically, the report shows the Mortgage as past due in the amount of \$26,110.00, with a last payment date of December 1, 2016, and a bankruptcy status of “dismissed.”

48. The relevant portion of the Caliber tradeline appeared in the March 8, 2017, Equifax report as follows:

High Credit	\$118,329	Owner	JOINT_CONTRACTUAL_LIABILITY
Credit Limit		Account Type	MORTGAGE
Terms Frequency	MONTHLY	Term Duration	360

180 days or more past due		Oklahoma City, OK 73134-2500	
		1-800-401-6587	

(Remaining portion of tradeline omitted.)

49. Because the balance of the Mortgage owing to Caliber is not \$0.00, and because Plaintiff's bankruptcy was not dismissed and because Plaintiff continues to make current payments to Caliber, the information described above was both false and misleading.

50. Further, the specific reporting described above was in derogation of accepted industry standards for reporting the account as set forth by the CDIA and Metro 2 and as adopted by Defendant. See e.g., 2015 CDIA Credit Reporting Resource Guide ("2015 Metro 2").

51. In a letter dated June 20, 2017, Plaintiff disputed the inaccurate and misleading information directly to Equifax and advised Equifax that the Mortgage is included in her Bankruptcy Case and should not be reporting any past-due or derogatory information. The relevant portion of Plaintiff's dispute is reproduced below:

Caliber Home Loans, Inc., 13801 Wireless Way, Oklahoma City, Oklahoma 73134-2500, account number XXXXXX1452, is included in my bankruptcy case filed on July 18, 2016 (case number 16-21393). I am including the notice documents from the court for your review. The "status" for the account should be corrected to reflect that fact. There should be no "past due" amount showing.

52. In support of Plaintiff's dispute and to assist Defendant's investigations, Plaintiff included with her dispute a copy of the Notice of Meeting of Creditors filed in Plaintiff's Bankruptcy Case.

53. Pursuant to 15 U.S.C. § 1681i, Equifax had a duty to notify Caliber of Plaintiff's dispute within five business days of receiving the dispute, to forward the attached documents for Caliber's review, to conduct a reasonable reinvestigation of the disputed information, and to correct the tradeline or delete it from Plaintiff's consumer file.

54. Equifax failed to notify Caliber of Plaintiff's dispute and to provide the supporting documents, as required by 15 U.S.C. § 1681i.

55. In a document dated June 28, 2017, Equifax advised Plaintiff that it had researched the dispute, and provided a "revised report" that reflected its findings. Equifax provided a copy of the tradeline as reported "post-investigation", which reproduced the errors identified by Plaintiff in her original dispute letter.

56. Specifically, the Caliber tradeline appeared in the revised June 28, 2017, Equifax report as follows:

Caliber Home Loans Inc. 13801 Wireless Way Oklahoma City OK 73134-2500 : (800) 401-6587												
Account Number	Date Opened	High Credit	Credit Limit	Terms Duration	Terms Frequency	Months Revd	Activity Designator	Creditor Classification

Status - Over 120 Days Past Due; Type of Account - Mortgage; Type of Loan - Conventional Re Mortgage; Whose Account - Joint Account; ADDITIONAL INFORMATION - Real Estate Mortgage; Chapter 13 Bankruptcy Dismissed; Loan Modified; 180 Days or More Past Due;												

57. The post-investigation reporting of Defendant is false and misleading.

58. The post-investigation reporting of Defendant is in derogation of the Metro 2 reporting standards, and that departure and failure to adhere to the adopted guidelines renders the reporting both false and materially misleading, as users of consumer reports assume Defendant's compliance with Metro 2 standards in reporting consumer information.

59. There is no indication in the tradeline of the "verified" report that Plaintiff has disputed the information reported and published by Equifax. The failure to note the legitimate dispute by Plaintiff of the relevant tradeline renders the reporting materially misleading.

60. In a letter dated July 14, 2017, Plaintiff again disputed the inaccurate and misleading information directly to Equifax and advised Equifax that the Mortgage is included in her Bankruptcy Case and should not be reporting any past-

due or derogatory information, and that the Bankruptcy Case is not dismissed but is still active. The relevant portion of Plaintiff's second dispute is reproduced below:

Caliber Home Loans, Inc., 13801 Wireless Way, Oklahoma City, Oklahoma 73134-2500, account number 980350XXXX, is included in my bankruptcy case filed on July 18, 2016 (case number 16-21393) and is *not* dismissed. I am including the notice documents from the court for your review. The "status" for the account should corrected to reflect that fact.

61. In support of Plaintiff's second dispute and to assist Defendant's investigations, Plaintiff included with her second dispute a copy of the Notice of Meeting of Creditors filed in Plaintiff's Bankruptcy Case.

62. Pursuant to 15 U.S.C. § 1681i, Equifax had a duty to notify Caliber of Plaintiff's second dispute within five business days of receiving the dispute, to forward the attached documents for Caliber's review, to conduct a reasonable reinvestigation of the disputed information, and to correct the tradeline or delete it from Plaintiff's consumer file.

63. Equifax failed to notify Caliber of Plaintiff's dispute and to provide the supporting documents, as required by 15 U.S.C. § 1681i.

64. In a document dated July 28, 2017, Equifax advised Plaintiff that it had researched the second dispute, and provided a "revised report" that reflected its findings. Equifax provided a copy of the tradeline as reported "post-investigation",

which reproduced the errors identified by Plaintiff in her original dispute letter and in her second dispute letter.

65. Specifically, the Caliber tradeline appeared in the new revised July 28, 2017, Equifax report as follows:

Caliber Home Loans Inc. 13801 Wireless Way Oklahoma City OK 73134-2500 : (800) 401-6587													
Account Number	Date Opened		High Credit	Credit Limit	Terms Duration	Terms Frequency	Months Revd	Activity Designator	Creditor Classification

Status - Over 120 Days Past Due; Type of Account - Mortgage; Type of Loan - Conventional Re Mortgage; Whose Account - Joint Account; ADDITIONAL INFORMATION - Real Estate Mortgage; Chapter 13 Bankruptcy Dismissed; Loan Modified; 180 Days or More Past Due;													

66. The post-investigation reporting of Defendant is false and misleading.

67. The post-investigation reporting of Defendant is in derogation of the Metro 2 reporting standards, and that departure and failure to adhere to the adopted guidelines renders the reporting both false and materially misleading, as users of consumer reports assume Defendant's compliance with Metro 2 standards in reporting consumer information.

68. There is no indication in the tradeline of the "verified" report that Plaintiff has disputed the information reported and published by Equifax. The failure to note the legitimate dispute by Plaintiff of the relevant tradeline renders the reporting materially misleading.

Damages

69. The reporting of Defendant breached its duties as described herein.

70. Defendant had actual notice that the information it was reporting regarding Plaintiff and the Mortgage was false, deceptive, and misleading.

71. Defendant failed to correct its false, deceptive, and misleading reporting as described herein.

72. Defendant continued to report the false, deceptive, and misleading information regarding Plaintiff and the Mortgage.

73. Accordingly, Defendant's conduct was willful.

74. Upon information and belief, Defendant has published the false and misleading information regarding Plaintiff to third parties.

75. As a result of Defendant's willful actions and omissions, Plaintiff is eligible for statutory damages.

76. Additionally, as a result of Defendant's actions and omissions, Plaintiff has suffered actual damages, including out-of-pocket expenses in challenging Defendant's wrongful representations regarding the Mortgage.

77. Realizing that Defendant has, in effect, deprived Plaintiff of positive credit reporting on the most important account Plaintiff has, and that Defendant continues to do so as a result of its failures to comply with the statutory requirements of 15 U.S.C. § 1681 et seq., Plaintiff has experienced severe worry, frustration and anxiety that interfere with her activities of daily living and adversely affect her interpersonal relationships.

78. As a result of the actions and omissions of Defendant, Plaintiff's actual damages also include the illegitimate suppression of her Fair Isaac Corporation ("FICO") credit score and other credit rating modeling scores.

79. Defendant's failures to correct and clear the inaccuracies in Plaintiff's Equifax report creates a material risk of financial harm to Plaintiff stemming from the decreased perception of Plaintiff's credit-worthiness.

CAUSES OF ACTION

COUNT I

VIOLATIONS OF THE FAIR CREDIT REPORTING ACT 15 U.S.C. §§ 1681e(b) and 1681i –Equifax Information Services, LLC

80. Plaintiff incorporates by reference all preceding paragraphs as though fully stated herein.

81. Pursuant to 15 U.S.C. § 1681e(b), Equifax is responsible for following reasonable procedures to assure maximum possible accuracy of information whenever it prepares consumer reports.

82. Equifax's duty under 15 U.S.C. § 1681e(b) extends to reinvestigation reports and consumer disclosures.

83. Pursuant to 15 U.S.C. § 1681i(a)(1)(A), Equifax had an affirmative duty to independently investigate the dispute submitted by Plaintiff.

84. Pursuant to 15 U.S.C. § 1681i(a)(2), Equifax was required to communicate the specifics of Plaintiff's dispute to Caliber, including the forwarding of any documents provided by Plaintiff in support of that dispute.

85. A consumer reporting agency's reasonable reinvestigation must be a good faith effort to ascertain the truth; a reasonable reinvestigation must answer the substance of the consumer's dispute, and may not merely be a *pro forma* record review that simply begs the question.

86. In order to conduct a reasonable reinvestigation, and pursuant to 15 U.S.C. § 1681i(a)(4), Equifax was required to review and consider all relevant information submitted by Plaintiff.

87. Plaintiff's disputes were clear and unambiguous as to the inaccuracies of Equifax's reporting.

88. Plaintiff provided all the relevant information necessary for Equifax to reinvestigate and correct the inaccuracies in its reporting.

89. Equifax breached its duties as described herein.

90. If Equifax had conducted a reasonable reinvestigation of Plaintiff's disputes, Equifax would have reviewed and considered all of the information Plaintiff submitted in her dispute letters and would have easily detected that what was being reported was factually incorrect, inaccurate, and misleading.

91. If Equifax had conducted a reasonable reinvestigation of Plaintiff's disputes, the tradeline on Plaintiff's Equifax consumer report would have been appropriately corrected.

92. Due to Equifax's failures to follow reasonable procedures to assure maximum possible accuracy of information and failures to conduct a reasonable

reinvestigation of Plaintiff's disputes, the false and misleading information in Plaintiff's credit file and on Plaintiff's Equifax report was not appropriately modified.

93. Equifax had all the information necessary to correct its reporting. Yet, Equifax failed to correct the information in the face of clear evidence that its reporting was false and misleading. The failure indicates that Equifax's review procedures were not reasonable.

94. The fact that Equifax had all the information necessary to correct its reporting, yet failed to do so in an appropriate manner, further indicates that Equifax recklessly disregarded Plaintiff's dispute and the requirements of the FCRA, amounting to a willful violation of the statute.

95. Equifax willfully, or in the alternative negligently, violated 15 U.S.C. § 1681e(b) by failing to follow reasonable procedures to assure the maximum possible accuracy of information concerning Plaintiff in her consumer reports, in reckless disregard of the statutory requirements, Plaintiff's disputes, and the publicly recorded Bankruptcy Case filings.

96. Equifax willfully, or in the alternative negligently, violated 15 U.S.C. § 1681i in multiple ways, including without limitation, by failing to conduct a reasonable

reinvestigation of Plaintiff's dispute, and by failing thereafter to appropriately modify information in her file and on her consumer report in reckless disregard of the statutory requirements, Plaintiff's dispute, and the publicly recorded Bankruptcy Case filings.

97. As a result of Equifax's violations of 15 U.S.C. §§ 1681e(b) and 1681i, Plaintiff has suffered actual damages as described herein. Plaintiff is, therefore, entitled to recover actual damages from Equifax pursuant to 15 U.S.C. §§ 1681n and 1681o.

98. Equifax's actions and omissions were willful, rendering Equifax liable to Plaintiff for punitive damages and/or statutory damages pursuant to 15 U.S.C. § 1681n.

99. Plaintiff is entitled to recover costs and attorneys' fees from Equifax pursuant to 15 U.S.C. §§ 1681n and 1681o.

TRIAL BY JURY

Plaintiff is entitled to and hereby requests a trial by jury.

WHEREFORE, Plaintiff prays that judgment be entered in her favor and against Defendant for:

- a.) Plaintiff's actual damages;
- b.) Punitive and/or statutory damages, pursuant to 15 U.S.C. § 1681n;

c.) Reasonable attorney's fees and costs, pursuant to 15 U.S.C. §§ 1681n and/or 1681o; and

d.) Such other and further relief as may be just and proper.

Respectfully submitted this 18th day of September, 2017.
